

M.Sc. International Logistics & Supply Chain Management ISM –University of the Sunshine Coast

German-Australian double degree

ISM students who opt for the program at University of the Sunshine Coast spend their first two semesters at the ISM campus, followed by one semester at University of the Sunshine Coast. Here you can study in modern and innovatively equipped lecture rooms and have access to Australian libraries and facilities. Students who have achieved all the necessary credits for study and examinations are awarded a Master of Science in International Logistics & Supply Chain Management from the ISM, and the Master of Management from University of the Sunshine Coast. With this double degree program of the ISM you acquire two master's degrees within two years.

Additional degree available at University of the Sunshine Coast

- Master of Management
- Master of International Business Management

Study language

Lectures are held in English both at the ISM and at University of the Sunshine Coast.
